This attractive home in Cobblestone Ranch, with a backdrop of open space, is your perfect home!

The sought-after Hemingway model showcases an inviting open floor plan with bonus Sunroom and a finished basement. Perfect for quiet nights while being the ideal space for hosting large gatherings. Revel in the elegant and stylish upgrades throughout the home. The abundance of natural light pours in creating an environment of warmth. A versatile layout, find everything you want and need, including a main floor office that can double as a guest room.

A large family room boasts a fireplace and large picture window showcasing expansive open space. The open concepts carries into the kitchen with a sizable island, double oven, stainless steel appliances, and a walk-in pantry. The adjacent sunroom floods the space with sunlight and offers more picturesque views of open space, rolling hills and a covered patio out back provides ample seating to take in the landscape.
